CR 05-10012 -UA

Dear Ms. Cummings:

I am currently on federal probation, in Crim. No. 05-10012. This case is unassigned, as jurisdiction was transferred from North Carolina.

I have been in contact with the U.S. Attorney's Office about issues regarding outstanding restitution. These issues are complex and I believe that I need legal representation to help me resolve this issue. I cannot afford to hire an attorney. A completed financial affidavit is enclosed.

I have discussed this matter with Federal Public Defender Miriam Conrad and she has suggested that I write this letter.

Sincerely,
Eleanor Coghill
